Additional charges will be levied during the year to cover school outings, stationery, school tours, IBT and IEBT Tests, etc. Interest at the rate of 2% per month will be levied on all overdue accounts. **If fees are not paid by debit order, a full term's fees are payable in advance. One full term's notice, in writing, is required before withdrawing a learner from the school. If not, the parents / legal guardians will be liable for school fees for the notice term (3 months).** Failure to pay the fees may result in legal action being taken against the parents / legal guardians responsible for the payment of fees. Furthermore, failure to pay may also result in your name being entered in the National Credit Register which may prevent you from obtaining further credit in South Africa. You will be held responsible for any costs and interest, should the account be handed over to our attorneys for collection. **Personal effects of learners ARE NOT covered by school's insurance (including iPads).** We will conduct a credit enquiry on the parents for the purpose of setting a limit in respect of fees and services provided; and the parents give consent for this enquiry to be conducted. I furthermore note that an incomplete form or outstanding documents may result in the application being rejected.
